

## CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of Pickup for Public Works Inspector (\$17,450)

MEETING DATE: October 4, 1995

PREPARED BY: Public Works Director

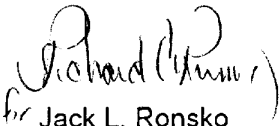

**RECOMMENDED ACTION:** That the City Council adopt the attached resolution to purchase a pickup for the Public Works Inspector from the low bidder, Hayward Dodge, Inc. of Hayward, in the amount of \$17,446.88.

**BACKGROUND INFORMATION:** Funds to purchase a new pickup for the Public Works Inspector were approved in the 1994/95 operating budget. This pickup will replace the Chevrolet S-10 currently in use by the Public Works Inspector. The specifications were based on the Dodge Dakota due to the need for additional cargo bed space and an extended cab to store the equipment necessary for various testing procedures required of the Public Works Inspector while maintaining a low bed height. Although any Dodge dealer could bid, only one bid was received.

Per the Council Communication approving the specifications and advertisement for bids, the old vehicle will either be reassigned, considered for trade-in value, or disposed of through auctioneers Roger Ernst and Associates of Modesto, whatever is the most cost effective for the City. If reassigned, the vehicle replaced will either be traded in or disposed of by auction.

**FUNDING:**

Originally Budgeted:	1995/97
Budgeted Fund:	12.0 (Equipment Replacement Fund)
Current Appropriation:	\$19,900.00
Total Project Estimate:	\$19,900.00
